

St. Clare/St. Paul School
Incoming 5th Grade Summer Reading List

Dear Parents,

Reading is very important for your children over the summer months. Below are the recommended books for summer reading as your child enters 5th grade. Three total books will be read this summer. Please select two of the eight books from the list below to read throughout the summer months. In addition to the two books your child chooses, he/she should pick one book of choice to read that is on grade level and available on AR. To find books on AR, use arbookfind.com.

When returning in the fall, your child will take the Accelerated Reader test on all three books. A summary for each book is to be completed once it is read. One project of the attached choices on Google Classroom should also be created on a book from the list below for a 1st quarter grade. I hope that you and your child have a great summer! Please join our google classroom for all project information. The code is: **qlr3m2b**

Sincerely,

Miss Katie Purcell
